Habitat for Humanity

Habitat for Humanity has a lot of household items at their Big Rapids location at 18387 Northland Dr. Big Rapids, MI 49307. They can help families that have been displaced and have very little possessions.

Maintenance Reminders to All Residents

- If you are aware of an emergency work order, such as having no heat, or toilet not flushing – call during hours of operation, if possible! Please do NOT wait until the end of the day to report an issue you were aware of earlier in the day!

- Also, do not dump grease down your sinks. Pour hot grease in a tin container, and when it has cooled then throw it away in the trash. Grease will clog the lines and a charge will apply if grease is found to be the cause of your clogged sink.
- We try our best to keep the sidewalks cleared for our residents, however, the cobblestone was re-sealed by the City this past summer and those areas are very slippery when wet. So please always take caution when walking on the cobblestone.
